The owner, Sam, has perfected the **SHAWARMA**: warm, fresh pita bread and your choice of beef, chicken or falafel all rolled up in harmony with tahini, a sesame-garlic sauce. **SHAWARMA KING** is rich in flavor and amazingly affordable. They also have a delicious selection of kabob dishes, all served with salad and hummus. My favorite thing about this restaurant is the atmosphere-with great food, enclosed patio, and very friendly service.

Appetizer
